The Customer undertakes to keep the PIN code strictly confidential, take reasonable security precautions to keep safe and prevent the fraudulent use of the PIN code and immediately notify the Bank in the event that the Customer is aware that any unauthorized disclosure of the PIN code has occurred.

Unless otherwise requested by the Bank, the original of the documents transmitted by Fax Instruction are not required to be delivered to the Bank.

The Bank may in its sole and absolute discretion, accept, rely on or act in accordance with and execute any Fax Instruction originating by way of facsimile from the Customer. Such Fax Instruction, when communicated by facsimile, may only be acted on by the Bank if the each attachment or attachment(s) bears the PIN code specified by the Customer matching the PIN code in the Bank’s records at the issuance of such Fax Instruction, or verification from internet banking.

The Bank may in its sole and absolute discretion, accept, rely on or act in accordance with and execute any Fax Instruction originating by way of email from the Customer. Such Fax Instruction, when communicated by email, may only be acted on by the Bank if each attachment or attachment(s) accompanying such Fax Instruction is

Unless otherwise required hereunder, the Customer agrees that the Bank may rely on and is authorized to act in accordance with and execute any Fax Instruction apparently or purporting to be given or made by the Customer or by any Authorized Signatory immediately upon the Bank’s receipt thereof without enquiry on the Bank’s part as to the authority or identity of the person making or purporting to make such Fax Instruction or any other verification and regardless of the circumstances prevailing at the time of such Fax Instruction. The Bank may treat such Fax Instruction as fully authorized by and binding on the Customer and may (but shall not be bound to) take such steps in connection with or in reliance on such Fax Instruction as the Bank may in good faith consider appropriate, whether such Fax Instruction includes instructions to pay money or otherwise, to debit or credit any account, or relates to the

disposition of any money, securities or documents or purports to bind the Customer to any agreement or other arrangement with the Bank or with any other person or to commit the Customer to any other type of transaction or arrangement whatsoever, regardless of the nature of the transaction or arrangement or the amount of money involved.

3. **Contact Person**

The Customer shall designate contact persons (“Contact Person”) and notify the Bank of the same so that the Bank may confirm with the Contact Person(s) about the content of each Fax Instruction. If the Bank fails to get in touch with the Contact Person to confirm the content of a Fax Instruction for whatever reasons, the Bank may refuse to act or execute such Fax Instruction unless the Bank and the Customer otherwise agree in writing. It is acknowledged and agreed by the Customer that if the Bank, without contacting the Contact Person, acts in accordance with a Fax Instruction which is not a Cap Instruction, any and all liabilities or responsibilities arising from or in connection with such Fax Instruction shall be for the account of the Customer.

5. **Refusal to Act**

The Customer agrees that the Bank may, at any time and at its discretion, without giving any reason, refuse to act on any Fax Instruction, including without limitation, where: (a) the signature signed or seal/chop affixed on the Fax Instructions or on any copies of any faxed document is obscure or otherwise difficult to verify, (b) the Bank considers that there are suspicious materials contained in any Fax Instruction, (c) the transaction is of a type that may only be made by way of original documents, (d) the PIN code in any Fax Instruction does not match the Bank’s records or (e) the contemplated transaction requires the Customer to appear in person. The Bank may (but shall not be obliged to) use reasonable endeavors to notify the Customer as soon as reasonably practicable of its refusal to act on such Fax Instruction, but the Bank will not in any way be responsible for any loss howsoever incurred whether (directly or indirectly) by the Customer or any person arising from the Bank’s refusal to act in accordance with the Fax Instruction, notwithstanding that the Customer may not have been informed of such refusal.

The Customer acknowledges and agrees that if it intends to modify or amend any Fax Instruction having been sent to the Bank, such modification or amendment can only be made by way of (a) making a phone call to the customer service center of the Bank as appeared on the relevant application forms and (b) sending another Fax Instruction to cancel the previous Fax Instruction and to give a new Fax Instruction and such cancellation will be allowed only before the Bank has acted on the previous Fax Instruction. The Bank is not responsible for any losses or expenses suffered or incurred by the Customer as a result of the Bank acting upon the previous Fax Instruction if the new Fax Instruction is not received by the Bank before it acts upon the previous Fax Instruction.

7. **No Recourse**

The Customer agrees that the Bank shall be under no duty to enquire as to, or verify, the genuineness, completeness, authenticity, correctness or validity of any Fax Instruction and the Customer shall bear all risks arising from any Fax
